## About IAQVEC

IAQVEC is an international association dedicated to advancing Indoor Air Quality, Ventilation, and Energy Conservation in Buildings. Since its founding in 1992, the association has been at the forefront of promoting sustainability, energy efficiency, and human well-being in the built environment.

**Every three years**, IAQVEC organizes the International Conference on Indoor Air Quality, Ventilation, and Energy Conservation in Buildings, bringing together researchers, engineers, architects, and industry professionals from around the world.

The conference serves as a platform for collaboration and knowledge exchange, focusing on the latest advancements in indoor air quality, ventilation strategies, and energy-efficient technologies.

Now entering its **12th** edition, the IAQVEC conference continues to drive innovation and interdisciplinary solutions that shape the future of building design. The association remains committed to creating healthier, more energy-efficient buildings while addressing global sustainability challenges.

# Letter from the Conference Chair

Dear Conference Sponsors and Exhibitors,

I am pleased to welcome you to IAQVEC 2026, an international event dedicated to exploring the future of Indoor Air Quality, Ventilation, and Energy Conservation in Buildings. Convening in Los Angeles from June 1 to 5, 2026, this conference will offer unparalleled opportunities to engage with pioneering research and innovative solutions aimed at creating sustainable and healthy built environments.

Your sponsorship plays a crucial role in the success of IAQVEC 2026. By partnering with us, you contribute to a unique platform where researchers, industry leaders, and professionals worldwide come together to address the most pressing challenges and share transformative ideas. Your involvement not only supports the event but also positions your organization at the forefront of impactful innovations shaping our industry's future.

We invite you to explore the diverse sponsorship opportunities outlined in this prospectus and look forward to working together to make IAQVEC 2026 a memorable and impactful event.

Thank you for your support and dedication to advancing a better future for the built environment.

Warm regards,

**Joon-Ho Choi, Ph.D.**

Sasan Sadrizadeh  
KTH Royal Institute of Technology,  
Sweden

Adrian Chong  
National University of Singapore

Saba Imani  
University of Illinois  
Urbana-Champaign

## IAQVEC 2026 LA Conference Program Topics

1. Indoor Air Quality
2. Thermal Comfort
3. Visual and Acoustic Quality
4. Building Technology and Performance
5. Energy Efficiency, Conservation, and Renewable Energy
6. Health, Wellbeing, and Human Behaviors in Built Environment
7. Generative AI in the Sustainable Built Environment
8. Sustainable Building Materials
9. Smart Cities and Green Infrastructure
10. Climate Change Adaptation and Resilience

## Sponsorship Levels & Benefits

\* Assigned in the order of requests received (first come, first served).

If you are interested in being a sponsor, please contact Dr. Fred Betz (Lead of Development and Partnerships: [fred.betz@neumodlabs.com](mailto:fred.betz@neumodlabs.com)) or Dr. Joon-ho Choi (Conference Chair: [Joonhoch@usc.edu](mailto:Joonhoch@usc.edu))

\* All sponsorships to the IAQVEC 2026 Conference are considered charitable contributions and tax-deductible pending the approval of our 501(c)(3) application by the IRS, which we fully expect.

## We Look Forward to Working with You!

Sponsors play a pivotal role in making IAQVEC 2026 not only possible but also impactful and memorable. Your support helps us bring together a diverse and global group of experts, researchers, and practitioners to share the latest advancements and innovations in indoor air quality, ventilation, and energy conservation.

By sponsoring IAQVEC 2026, your organization will have the unique opportunity to showcase your brand and technology to an engaged, high-profile audience, fostering valuable connections and collaborations that can drive future progress in the field. We are excited to partner with you in creating opportunities for meaningful engagement with the scientific community, including exclusive networking events, interactive sessions, and targeted visibility throughout the conference.

Your involvement will greatly enhance the overall experience for all attendees. Please feel free to contact us with any questions or to discuss how we can tailor a sponsorship package that best aligns with your goals. We look forward to hearing from you and working together to make IAQVEC 2026 a resounding success.
